Offer expires 1/3/2027. Equipment, taxes, surcharges, and fees are not included for most plans. Offer available to new customers only (those who have not had Internet service with Sparklight in the past 90 days). Promotional rate is $50/mo. for the first 24 months and requires Auto-Pay with checking/savings account or debit card plus paperless billing. Regular rates from $60-$105/mo. and are subject to change at any time. Pricing and availability vary by location, and speeds vary by equipment and location; all are subject to change. Modem with eero Wi-Fi device lease is from $0-$14.99/mo. Includes Unlimited data plan. Visit sparklight.com/legal/acceptable-use-policy for details of Sparklight's Acceptable Use Policy. Sparklight Mobile requires Sparklight Internet. Available to new and existing residential Sparklight Internet customers in eligible service areas, excluding FlexConnect customers. Maximum of one mobile line at no monthly service charge for 12 consecutive billing months from activation date; free monthly service only up to the standard monthly rate of the Unlimited plan while customer has active, eligible Sparklight Internet service during 12-month billing cycle. Unlimited plan has high-speed data thresholds; speeds may be reduced during times of network congestion. For more information, visit mobile.sparklight.com/network-management. Coverage and service availability may vary by location and device. Certain taxes, fees, and costs not included for mobile offer. All services and offers are not available in all areas. Offer limited to Sparklight serviceable areas only. Restrictions apply.
